Studio Policies and Procedures

Tuition is due upon registration. Tuition is due on the first of each month. Late fees will be posted on the fifth of each month. Please see the fee chart for tuition rates. Tuition is non-refundable once drafted. You can log into your Parent Portal at any time to review upcoming fees, enrolled classes, and credit card information. It is your responsibility to keep all information up to date. Annual tuition is divided into 10 monthly installments, regardless of the number of classes per month.

Dancers must be the appropriate class age or grade as of August 15, 2023.

Make-Up Classes

If you miss a dance class due to vacation plans, dancer illness, etc., you can do a make-up class – ONLY in a class for the same age/level. If the studio closes for any reason out of our control, inclement weather, natural disaster, etc., your dancer can do a make-up class. There will be no discount given for missed classes. There are no make-ups for classes missed when the studio is officially closed (per above dates).

Inclement Weather Closing Policies

We typically follow Fauquier County or Manassas City Public School Systems' decisions for delays and closings. However, we will post our official decision on our Facebook, Instagram & Website as soon as we make our decision.

Below are our official closing definitions;

Studio Closed – all classes for the day are canceled for the safety of our staff and students.

Studio Delay – we will post the start time for our classes on that specific day. If your class time is prior to the studio start time, your class has been canceled.

Studio Early Release – we will post when the last class start time of the day will be. If your class time is after that start time, your class has been canceled.

We do understand that not all of our students attend Fauquier County or Manassas City Public Schools, but we are using their initial decision as a guide – so we ask when inclement weather is happening that you check your local news station as a start but also check our Facebook, Instagram or website. We also want to stress that we want everyone to always use their best judgment and make a personal decision for your family based on the roads in your area.

Class Requirements

Your child is required to attend class regularly as techniques are taught each week. In January, students begin to learn their end of year recital dance. We ask that all students treat their instructor, fellow students, staff and studio surroundings with respect and common courtesy. Your child is required to wear the appropriate dance wear to class. Your teacher will review with your dancer and parent the class rules and expectations.

Class Withdrawal Policy

Early withdrawal from a class before completion of the year requires a 30-day written withdrawal notice emailed to progressionsdanceschool@gmail.com. The parent/guardian will be responsible for tuition until your notice is sent and accepted. Once tuition is drafted, it is non-refundable. If you withdraw after December 15, 2023, you will not receive a refund for your recital fee or costume. However, the costumes ordered are yours to keep.

Video/Photography Release

We do videotape and photograph our dances and dancers for promotional and public relations activities. We post pictures and videos to social media, print ads and on our website. You may view policies and waivers on your parent portal.

Studio Communications

A quarterly newsletter will be published and sent to you via email. This newsletter will contain important information, calendar of upcoming events and the latest news and programs available at the studio. Always check the studio newsletter, website, and social media for the latest information. We highly recommend you like us on Facebook and Instagram. We post a lot of information and reminders, that is your surest way to get the most up-to-date information. If you have specific questions, please do not hesitate to contact us via phone (571-374-8091) or email (progressionsdanceschool@gmail.com). We do our best to respond to all phone calls and emails within 24-48 hours.

End of Year Show

We pride ourselves on your end of year Recital Experience! We have designed our end of year shows to be enjoyable for the dancer, parents, and friends. Your dancer will work all year on skills and most importantly self-confidence, that will lead them to the Big Stage at the end of the year!

Your dancer does not have to participate in our end of year show, but it is HIGHLY recommended for the full experience of dance! If your dancer does not want to participate in our end of year show, please submit a written notice to PDS by December 15, 2023.

Team

Interested in joining our Competition Teams, The Collective and The Company? Please contact PDS Directors for details (progressionsdanceschool@gmail.com). The Collective is a great way to take your dancing to the next level, meet other great kids just as passionate about dance as you are and have fun performing, competing, and traveling together. Auditions will be held each year, in the Spring.
